If we can discuss the agreed upon dollars to be clear. My last email from Veronica asked me how much time do I spend on GAP and if that is the amount I put in the budget, I would like to know what money is expected for budgeting the Superfund?

I can do the budget with the revised budget.

Thank you,

Cynthia O.

Hi Cynthia –

Sorry for the delay – my mom fell a couple of weeks ago – so, been getting her set-up with home aids, nurses, physical therapy, etc.

Anyway, please submit by email to me:

- 1) revised budget (application form SF-424a),
- 2) budget detail, and
- 3) revised GAP on-line Workplan (or I can get Veronica).

Thanks!

Hello All,

I am working on this now. I will get a letter out next week asking Walker River to apply for a revised amount of GAP funding. We will have to work with Renee to make the revisions happen in grants.gov. We will need a revised budget and work plan before we can move forward.

Kathy, is there a more current IDC rate than the one that expired on 12/15? Thanks,

Veronica

Hi Kathy –

I talked with Cynthia last Friday 11/4 – Cynthia submitted the 2016-4th quarter report. Cynthia was re-sending in the 1, 2, 3 quarters (she thought she had

submitted earlier, but she and I looked for the emails and couldn't find it).

Also, I see that Cynthia submitted the 1 year of Air reports. The Air Project Officer will need to review it.

I did see that Cynthia submitted more of a completed GAP application. That is being reviewed.

I'm checking with the GAP Project Officer to see if there is an estimated time for a GAP grant. I think she is out – she hasn't returned my text, yet.

When I know, I'll let you know. Thanks for checking,

Renee Chan

Renee – What's the latest word on the GAP grant? Did you receive Cynthia's final reports for GAP and Air Quality?
